OBJECTIVE

Enthusiastic and detail-oriented individual eager to leverage strong communication and problem-solving skills in an entry-level role, committed to learning and growing within a reputable organization.

EDUCATION

B.Tech – Computer Science & Engineering Narayana Engineering College	2022-2026 Nellore, India
Intermediate Narayana Junior College	2020-2022 Nellore, India
SSC VedaVyasa EM High School	2019-2020 Nellore, India

SKILLS SUMMARY

- **Languages:** Java, MYSQL
- **Web Technologies:** HTML, CSS, JavaScript
- **Frameworks:** React, Spring boot
- **Soft Skills:** Team Work & Collaboration, Excellent communication, Time Management, Adoptability

EXPERIENCE

- **Intern at TapAcademy (currently working)** **Feb 2026-Aug 2026**
 - Trained in **Java Full Stack Development** at Tap Academy.
 - Built web applications using **Java, React, MySQL, HTML, CSS, JavaScript**.
 - Developed backend using **JDBC, Servlets**, and implemented CRUD operations.
 - Used **AI tools** to enhance productivity and debugging.
 - Worked on **real-time projects and REST APIs**.

PROJECTS

Expense Tracker Application

- Developed a **full-stack expense management system** using **React.js**, integrating a RESTful API for managing income and expense records with complete **CRUD functionality** and **data validation**.
- Implemented **global state management** using React Context API to handle transactions, balance calculations, and error handling across the application efficiently.
- Designed a **responsive front end** with interactive **data visualizations using AI tools** and optimized **API communication with Axios**, ensuring smooth and dynamic user experience.

CERTIFICATES

Python Fundamentals (Infosys SpringBoard)

- Mastered fundamental Python syntax, proficiently utilizing control flow, loops, functions, and data structures.
- Acquired expertise in procedural programming paradigms and associated logical concepts, enhancing capabilities.

Web Development (Intenshala)

- Completed **Web Development course on Internshala**, learning HTML, CSS, JavaScript, and React for building responsive websites.
- Gained **hands-on experience** by developing interactive and user-friendly web projects.

Google AI Essentials-(Google)

- Learned the fundamentals of AI, including concepts of ML
- Gained practical knowledge of how AI tools can be applied to solve real-world problems and improve productivity.
